

PRESS RELEASE – 21/09/2023 – SEIDOR in AFRICA OFFICIALLY PARTNERS WITH LYNQ

SEIDOR in Africa has today officially become a Bronze LYNQ MES partner.

LYNQ MES enhances SEIDOR Africa's solution portfolio, delivering a holistic manufacturing solution to drive digital transformation and boost factory performance. LYNQ's MES (Manufacturing Execution System) seamlessly integrates with SAP Business One, offering visual planning, scheduling, and comprehensive manual and automatic data collection and analysis capabilities from employees and machines—empowering manufacturers to optimise efficiency, productivity, and profitability.

Why SEIDOR chose LYNQ

“We are delighted to be partnering with LYNQ as their MES solution fills a much-needed gap in our marketplace with seamless integration into SAP Business One. LYNQ MES will provide our manufacturing customers a great production planning solution that uses their existing production processes and data.” Alex de Ryhove, Director, SEIDOR in Africa

About SEIDOR

SEIDOR stands as a globally recognised technology consulting powerhouse, boasting a comprehensive array of experts renowned for their innovative solutions. Their accolade-laden services have a track record of guiding growing organisations to overcome typical hurdles on their path to success. In the realm of ERP, SEIDOR unequivocally emerges as the leading choice.

About LYNQ

LYNQ is reinventing manufacturing execution system (MES) software. Configurable, intelligent and quick to deploy, LYNQ helps manufacturers around the world thrive in today's competitive market. LYNQ technology drives continuous improvement with plug and play manufacturing operations management software, that is easy to work with and enjoyable to use. Designed, developed and deployed to a high standard for a fraction of the typical cost, LYNQ MES accelerates digital transformation and automation initiatives to achieve delivery, quality and financial goals.
